

## High Level Conference on Drones

### *“Drones as a leverage for jobs and new business opportunities”*

23-24 November 2016, Warsaw, Poland

## AGENDA

*Conference Venue: Hilton Warsaw Hotel and Convention Centre, 63 Grzybowska Street*

**(The conference will be conducted in English, Polish and French)**

---

The Warsaw conference will build on the RIGA declaration (5-6/03/2015) to assess how an EU drone services market could be established by 2019. The conference wants to identify the concrete actions to deliver jobs and growth in full respect of safety, privacy, security and environmental protection.
